

Application No.: 10/802,049
Attorney Docket No.: 313449-P0004 C1
Amendment Dated: December 23, 2008

AMENDMENTS TO THE SPECIFICATION

PLEASE REPLACE THE ABSTRACT OF THE DISCLOSURE WITH THE
FOLLOWING:

A personal computer including, but not limited to: a microchip including a general purpose microprocessor with a control unit and processing units on the microchip; a Faraday Cage surrounding the microchip; the microchip including an inner firewall being configured to deny access to the control unit from a network of computers; the inner firewall being located between the control unit and one of the processing units; the processing units having a network connection to the network of computers; and the network of computers including the Internet.
